Ayesha is phenomenal!! Very knowledgeable and patient. She is giving me projects and teaching me concepts to practice on that is making me a better developer and increasing my React & Javascript skills. I'm very confident I'll be able to get a better job ASAP!!

Ayesha's really helpful, and has excellent knowledge of full development

 **Harinder on December 11, 2022**  
  
Ayesha goes above and beyond to make sure you fully understand concepts. She's responsive to any questions and does extra helping. I wish I had started working with her earlier.
